

Where Are We

There is no address, no staff, no overhead, just volunteers who meet once a month at different host churches, to report on work in progress, and co-ordinate plans for future events.

We are supported by county churches and a bell ringing fundraiser at Christmastime.

All monies are applied to local ministries. Only those in need benefit from this ministry.

Alliance of Churches

“ . . . they be one even as We are.”

John 17:11

Who We Are

We are a loose association of believers from across the denominational spectrum who realize “The Church” cannot reach its fullest potential until we work together as one body. To that end we strive for unity among all congregations by stimulating one another to love and good deeds.

We endorse any outreach that is meeting a public need while glorifying Christ.

We also sponsor worship and prayer events throughout the year, and promote Christian values of love and good will within the culture of the county.

We provide emergency aid, as we are able, to residents and transients, regarding food, shelter, clothing, and transportation.

WE RING THE BELL AT CHRISTMASTIME

On weekends between Thanksgiving and Christmas we ring a handbell near the entrances of Walmart, Kroger, and Union County Market. This is our primary fundraiser for the entire year. Please "feed the kettle," it all stays in the county.
